## THE ELKINS MEETING.

Arrangements for the Grand Rally  
Thursday Evening.

### THE OPERA HOUSE WILL BE FILLED

With Voters who Desire to Hear a Real Presentation of the Issues of this Campaign—The Eloquent Champion of Protection to West Virginia Industries will Receive a Worthy Greeting in the Metropolis of the State.

It is already assured that the meeting at the Wheeling Opera House Thursday evening, when Hon. S. B. Elkins is to address the voters of Ohio county and vicinity, will be a rouser. The Republican ward organizations will meet in their respective headquarters and march in a body to the Opera House.

HON. S. B. ELKINS.

The voters of the city and county, without regard to party affiliations, are cordially invited to be present and hear the live issues discussed in a practical way from the standpoint of a patriotic business man.

The following officers of the meeting have been chosen, and the vice presidents named will be expected to occupy seats on the stage:

Captain W. H. Travis, President.

VICE PRESIDENTS:

Seats will be reserved for ladies, and they will be welcome. Mr. Elkins' former speeches in Wheeling have simply whetted the public appetite for more of the same kind of genial, practical and persuasive talks, and unless all signs fail the crowd which gathers to-morrow night will tax the capacity of the commodious house to its utmost.

### MUSIC AND ELOQUENCE.

A Fine List of Attractions in the Y. M. C. A. Course.

The entertainments and lectures arranged for this season by the Young Men's Christian Association are sure to be popular. Every attraction is first-class. Season tickets are being sold rapidly. The opening concert will be given on Thursday evening, October 19, by the Melpome Concert Company. This company is composed of some of Pittsburgh's leading musical people. Mrs. Elsie Warren-Mechling is the soprano. Mrs. Mechling is well known in all the large cities of the United States and Canada, in both concert and operatic work. She is the solo soprano of Calvary P. E. church, East End, Pittsburgh, receiving the highest salary of any vocalist in the city. Her associates are most worthy artists. In November the well known New York Philharmonic Club will be the attraction. This club has gained the reputation of being the finest body of chamber music performers in the country.

The December concert will be given by the Torbet Company, assisted by the unrivalled Lutteman Sextette. The members of this renowned singing body have voices of unusual sweetness and power. In January the Mozart Symphony Club, of New York, will give a varied and attractive entertainment. The February date will be filled by the Maud Powell String Quartette assisted by a celebrated soprano. Miss Powell has earned an international reputation as the greatest living lady violinist. The closing concert of the course will be given by the Humorous Quartette. This is a company of four favorite New York humorists who will give an entertainment of humorous songs, recitals, imitations and dialect stories.

This makes a fine combination of high class entertainments. The lecturers are all scholarly and entertaining. Dr. Robert Nourse will open the lecture course with his new lecture "Frankenstein, the modern Prometheus." He is one of the very best lecturers on the platform. Dr. William H. Crawford, president of Allegheny College, Dr. W. F. Oldham, Dr. Lyman B. Sperry and Mr. Edward P. Elliott make up the list.

### LOSS OF POWER

and Manly Vigor, Nervous Debility, Paralysis, or Palsy, Organic Weakness and wasting Drains upon the system, resulting in dulness of mental faculties, Impaired Memory, Low spirits, Morose or Irritable Temper, fear of impending calamity, and a thousand and one derangements of both body and mind result from pernicious secret habits, often indulged in by the young, through ignorance of their ruinous consequences. To reach, re-claim and restore such unfortunates to health and happiness, is the aim of an association of medical gentlemen who have prepared a book, written in plain but chaste language, treating of the nature, symptoms and curability, by home treatment, of such diseases. The World's Dispensary Medical Association, Proprietors of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., will, on receipt of this notice, with 10 cents (in stamps for postage) mail, sealed in plain envelope, a copy of this useful book. It should be read by every young man, parent and guardian in the land.
